

Did you know?

**UK National Debt is £1.8Trillion:
£25,000 for every man, woman & child in the UK**

**Norway's Oil Fund is worth £779Billion:
£148,862 for every man, woman & child in Norway**

If Scotland is so much better off in the UK, why does small, independent Norway have a \$1trillion oil fund, while Scotland has nothing?
